We're Back, Baby!!

Okay we really didn't go anywhere but we've still got great news. We're bringing back lunch! We missed having lunch at The Willow and know that you did too. So to cure that, Head Chef Tim Davies has got his team rev'd up to bring Willow style to the mid-day meal starting Tuesday, September 22nd. Our new hours will now include lunch service Tuesday - Saturday 11:30 - 1:30.

September 22nd is also the day that Chef Tim launches the new Autumn menu! That's right, you can deny it all you want, especially with the nice weather we're having, but the kids going back to school was a clue. It's Fall in Saskatchewan already and Chef Tim is going to serve up Saskatchewan's harvest bounty for your culinary delight!

Menus for Lunch and Dinner will be up on the website soon so check in and book your reservations!

It may seem early to discuss... but we're starting to take a few bookings for Christmas parties already. With limited space it's a bit like musical chairs, don't be the last to call.
