SPRING IS IN THE AIR !!

Chef Tim Davies launched his spring menus a little early this year and due to such high demand from our guests, this menu is made up from all your past favorites. I feel safe to say it kicks ass!!

Remember we are open for lunch from Tuesday to Saturday, so come on down and remind your tastebuds of what they have been missing for so long!!

In fact, if you print this off and bring it in before the end of March, I'll give you \$10 off your lunch!!

DOES THIS!**
