

Suppliers Dinner Sept. 19, 2010

The Willow on Wascana has been a part of Regina life since 2004. We pride ourselves on the amazing bounty this great province has to offer. From every grain under the sun to the most flavorful vegetables you have ever tasted. We even have fresh fruit growing in the valley and across the province.

The Willow has worked very hard with countless families and individuals to showcase the products our province offers and its high time you had a chance to meet the people behind the scene. All these great things we enjoy so much are transformed into our own culinary masterpieces, picked fresh right out of the backyard.

From farm to table let's face it...

that's the way it should be!

Cheers - Chef Tim Davies
