

You Snooze, You Lose!!!

Okay... Dave has no idea that I am about to do this, so lets have some fun at his expense!! If you call and make a reservation for TONIGHT ONLY,

I am gonna give you the tasting menu for 2 people for only \$99.

I know... outrageous!!!

That's a savings of \$35. So don't cook tonight, let us do the work for you, you deserve it!

Just call now, because this is going out to everyone in our database, and I am sure that we will

fill up fast. I am only doing this for today only, not the weekend and definitely not any longer than 1 day only!!!

We only have a few spots left for our early and late sittings, but you need to call now!!

Call 585-3663 and ask for James, and we can enjoy the laugh together!!!
